

STATEMENT OF FACTS CALIFORNIA NON-CERTIFIED VEHICLE

SECTION 1 – VEHICLE INFORMATION

LICENSE PLATE NUMBER	VEHICLE IDENTIFICATION NUMBER (VIN)	YEAR/MAKE
----------------------	-------------------------------------	-----------

California law (Health & Safety Code §43151[a]) does not allow you to import and/or register any new vehicle unless it meets California emission standards, or unless exempt as indicated below (Health & Safety Code (H&SC) §43151[b], §43151[c], or §44210). If you acquire a California Non-Certified Vehicle and do not qualify for one of the exemptions, **you cannot register your vehicle and it must be taken out of California immediately**. You may purchase a One-Trip Permit for this purpose.

SECTION 2 – CALIFORNIA NON-CERTIFIED VEHICLE (CNCV) – (Check appropriate box.)

Definition: A vehicle originally manufactured for sale in any state except California. Odometer reading less than 7,500 miles on the date purchased or acquired. **Meets federal emission standards only.**

I certify that I qualify for the exemption because:

- I inherited the vehicle or was awarded the vehicle in a divorce, dissolution, or legal separation.
(Submit court documents to verify this statement.)
- I purchased this vehicle out of state to replace the following vehicle which was registered in my name and was damaged or became inoperative beyond reasonable repair, or was stolen while I was out of state.
